In all, they are dedicated ambassadors representing the American dream.”

The Philadelphia Family Business Awards ceremony on May 6 is expected to be a sell-out event, with 300 local C-level executives and guests attending to celebrate the honorees' achievements. The event will kick off with a cocktail reception, followed by the awards ceremony and a final toast to the family businesses of Greater Philadelphia.

### **About SmartCEO**

SmartCEO's mission is to educate and inspire the business community through its award-winning magazine, connections at C-level events and access to valuable online resources. SmartCEO's integrated media platforms reach decision makers in the Baltimore, New York, Philadelphia and Washington, DC, metropolitan areas.

### **About the Family Business Awards**

The Family Business Awards program honors family businesses that make up the backbone of the American economy. More than two thirds of privately held businesses in the U.S. are family-owned firms. They are driving the local and national economy and fueling job growth, but many times they are overshadowed by large public organizations. That's why SmartCEO is honoring and celebrating the family businesses who are successful, growing and moving America forward. An independent committee of local business leaders selects honorees based on the quality of applications submitted. Honorees will be profiled in the May/June issue of *Philadelphia SmartCEO* magazine and celebrated at an event with more than 300 attendees in May.
